Dear Plan Participant:

**Re: Important information about your retirement plan**

The Plan and Investment Notice is being provided to help you make informed decisions when managing your account and planning your financial goals for retirement.

While **no action is required at this time**, please review the notice as it contains important information regarding the fees and expenses associated with your retirement plan and its investment options. To help facilitate your review, the notice is divided into two sections:

- **Section I: Summary of Plan Services and Costs** which provides information about administrative fees, individual transaction expenses, and your right to direct how your contributions are invested
- **Section II: Investment Options Comparative Chart** that provides information about your plan's available investment options including their respective performance and expenses

You can access the Plan and Investment Notice, as well as up-to-date investment performance, at **TIAA.org**. Simply log in to your TIAA account and follow these steps:

1. Go to "My Account"
2. Select "Research investments" under "Retirement Plans & IRAS"
3. Select your plan name and your notice will appear under "Helpful Links"

If you prefer to receive future notices electronically, update your eDelivery preferences under "My Account". Select "Update profile & settings" under "Profile" to make changes.

If you do not have a TIAA account, you can access the notice online at **TIAA.org/performance** and enter your Plan ID, 500760. You'll be directed to the current information.

More information about retirement plan fees and expenses is available at **TIAA.org/fees** or by calling TIAA at **800-842-2252**, Monday through Friday, 8 a.m. to 10 p.m., and Saturday, 9 a.m. to 6 p.m. (ET).

Sincerely,
