

FAC 460.1 Obtaining Tenure

Unless otherwise specified in the initial letter of employment, faculty members must undergo the rigorous sequence of evaluations explained in FAC 443 to successfully attain tenure. Faculty members hired on a tenure track must submit a letter indicating their intent to undergo tenure review by October 1 of the tenure review year (usually the sixth year of employment). The faculty member must submit by October 15 of the tenure review year the Comprehensive Evaluation Materials described in FAC 443.2. The procedure for applying for tenure is described in 442.2.3.
