

FAC 655. Final Examinations

Faculty are expected to involve students in a major educational experience in all regular credit courses at the end of each term at the time indicated in the schedule of final examinations approved by the Educational Policies Committee. A two-hour period is scheduled for each final examination, which should include a genuine evaluation device.

Faculty desiring to hold exams at times other than those on the approved exam schedule may do so only with permission of the Chief Academic Officer.

Students who have three or more final exams scheduled on the same day may speak to the CAO about working with the involved faculty to arrange a different time for one or more of the finals. Students should not ask faculty to take exams at another time for any reason other than extraordinary, unavoidable circumstances, nor should faculty agree to do so without approval of the CAO.
