All McPherson College employees are issued identification cards upon employment. The identification card may be used for admission to most college produced athletic, theater, and music activities. The ID card also serves as a library card enabling employees to utilize library services.

The ID card can also be used to pay for meals in the cafeteria. To use the ID card as a means of meal payment the meals must be paid for in advance. Payment is submitted to the cafeteria and applied to the respective account.

Identification cards are issued through the Student Services office in Mohler Hall. ID photos are taken by appointment through the Communications Department.
